

**Procedure:**

An appeal should be made by sending an appeal form (on the page below) via registered mail to the Coordinator (postal address: see bottom of the Appeal Form).

The form should state the reason of the appeal, including proof of supporting documents (if applicable).

The appeal has to be sent within 10 working days (with the date of postmark as proof) after receipt of the selection results.

The Coordinator receives the appeal form, the sender will receive an acknowledgement of receipt by email. The appeal will then be investigated by the Coordinator and Consortium.

Within 15 working days after having received the appeal, the appellant will receive the outcome of the appeal with the reasons for rejection or acceptance.

# Erasmus Mundus Joint Master Sustainable Biomass and Bioproducts Engineering
